Daniel H. Wagner Associates, Inc

March 30, 2017

Dear Sir or Madam,

I am a student at Allegheny college, majoring in Computer Science. I heard about Wagner & Associates from a friend, and was interested. I'm looking to apply for an internship. I have a strong interest in Artificial Intelligence, especially neural and Bayesian networks, and your company fits very well with these interests. Additionally, my father worked in the US Navy, and living overseas during my childhood greatly influenced my development – doing support and research work would be quite fulfilling as I have witnessed the results of some such work as a child.

Yours Faithfully,

Saejin Mahlau-Heinert
